

## MPM2D – Unit 2: The Quadratic Relation Review Worksheet – Part 2

State the properties of each of the quadratic relations shown below by completing the table at the bottom of the page.

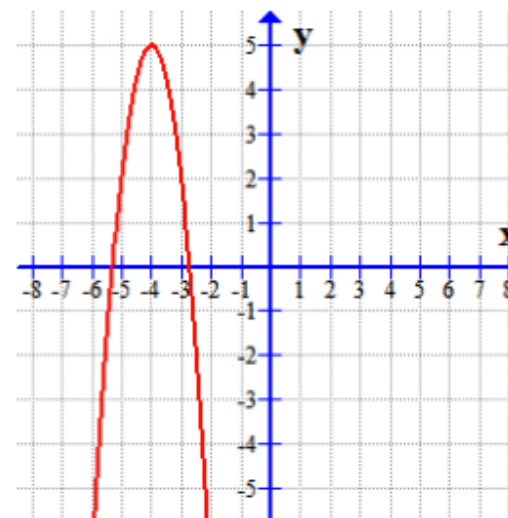

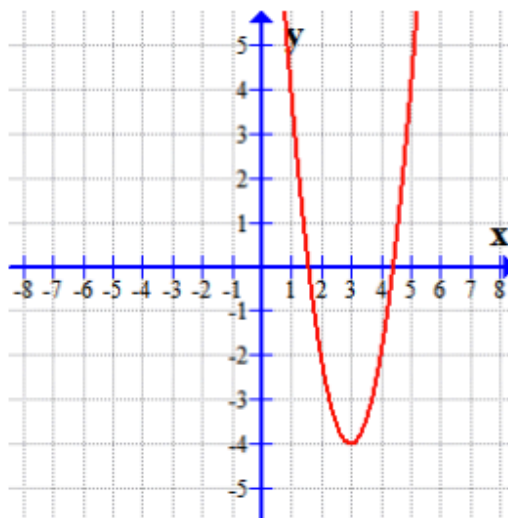

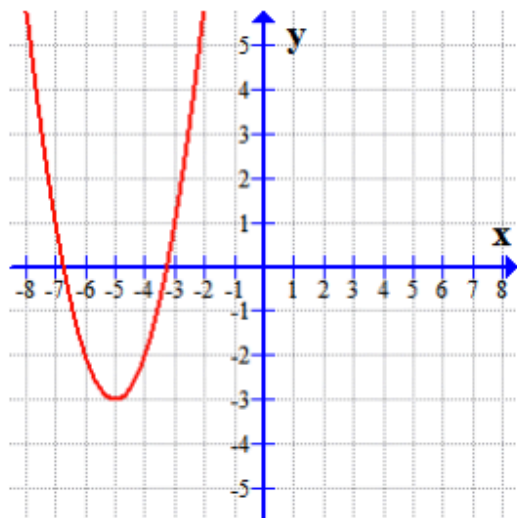

Equation	Vertex	Over 1 Points	Over 2 Points	Axis of Symmetry	Maximum or Minimum Point	Maximum or Minimum Value	Domain	Range

State the properties of each of the quadratic relations shown below by completing the table at the bottom of the page.

Equation	Vertex	Over 1 Points	Over 2 Points	Axis of Symmetry	Maximum or Minimum Point	Maximum or Minimum Value	Domain	Range

State the properties of each of the quadratic relations shown below by completing the table at the bottom of the page.

Equation	Vertex	Over 1 Points	Over 2 Points	Axis of Symmetry	Maximum or Minimum Point	Maximum or Minimum Value	Domain	Range
